

FERMATA

SANTA TERESA

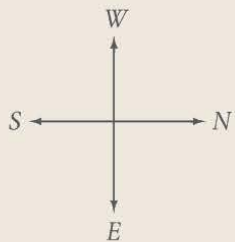

LUXURY SURF HOTEL

Hotel Fermata reflects the spirit of Santa Teresa — laidback, vibrant and deeply connected to the ocean. Set directly in front of the iconic La Lora surf break, the hotel blends casual luxury with a surfer's soul.

Each room offers a front-row seat to the town's unique rhythm, where calm natural beauty meets untamed coastal energy. With an intimate, social ambiance and thoughtful design, Fermata is the perfect setting for couples, friends and active families seeking both adventure and ease.

Here, the ocean isn't just a backdrop — it's the heartbeat of your stay, connecting every guest to what's possible.

At the center of it all is Fermata Kitchen, our oceanfront restaurant where Mediterranean flavors blend with French technique. The menu is designed for sharing and lingering. Whether you're here to surf, unwind or simply take it all in, Hotel Fermata invites you to slow down, tune in and stay a little longer.

HOTEL FERMATA AMENITIES

Fermata Kitchen

Our on-site restaurant invites guests into a soulful, laidback atmosphere with elegant design and ocean views from every angle. The menu is crafted for sharing, setting the tone for a joyful, social vibe - whether gathered with friends or enjoying a quiet moment at the bar.

Out front, our beachfront lawn sets the scene for our signature sunset aperitivo ritual. With music, the ocean breeze, and the possibility of an impromptu dance party in the sand, it's a moment that often lingers long after the sun goes down.

Open daily from 6 a.m. to 10 p.m.
