

FERMATA

FERMATA GROUPS, EVENTS & WEDDING BUYOUTS

At Hotel Fermata, we create intimate, thoughtfully curated experiences for groups looking to gather, whether for retreats, creative offsites or celebrations on full property buyouts.

Set directly on the ocean in Santa Teresa, Fermata offers a boutique-scale setting that feels both relaxed and social. Our design-forward rooms, collection of common areas, and beachfront location create a natural flow between togetherness and personal space, all guided by the rhythm of the sea.

Groups enjoy the ease of having everything in one place: oceanfront dining at Fermata Kitchen, flexible spaces for movement or meetings, and a team attuned to the details that matter. From custom food and beverage experiences to personalized on-site coordination, we work closely with hosts to shape a stay that feels effortless, grounded, and distinctly Fermata.

Whether your group comes together to surf, create, reflect, or celebrate, our setting invites connection to each other, to the ocean, and to the slower, intentional pace within Costa Rica life.

Each suite includes a king bed, a generous separate living area with a queen-size pull-out sofa, and an outdoor lounge area ideal for relaxing between events or hosting informal moments before gathering together.

Oceanfront Casitas

Positioned directly on Santa Teresa's beachfront, these standalone casitas are an ideal choice for couples seeking privacy and calm during a group stay. Each features a king bed and a covered outdoor shower nestled into the landscape. Quiet, intimate, and connected to nature, they are often favored by wedding couples' families or guests looking for a more secluded experience.

Casitas

Our signature standalone casitas offer a balance of space, privacy, and connection. With a king bed and a twin daybed tucked into a private nook, they work beautifully for couples or small families attending events. Covered outdoor showers and lounge areas enhance the sense of ease and indoor–outdoor living that defines Fermata.

King Rooms

Comfortable, flexible, and well suited for families or friends within a group. These rooms feature a king bed and private outdoor space and can be customized upon request converted to two twin beds, complemented with an additional twin daybed, a pack-and-play, or reserved as connecting rooms.

Deluxe King Rooms

With a private balcony and private outside shower, our Deluxe King Rooms offer a king bed complemented by a twin-size daybed, perfect for relaxing or accommodating an additional guest.

Double Queen Rooms

Generously sized, these rooms include two queen beds, an indoor shower, and a private balcony. They are ideal for friends traveling together or family members attending celebrations, offering comfort without compromising style.
